

# SeqAfrica Webinar Series 2025

## Webinar 1: Results of the DTU Genomic Proficiency Test (GPT) Tuesday, 30 September 2025, 13:00 - 14:30 CET

On Zoom at:

<https://dtudk.zoom.us/j/66908008515?pwd=6GZIVRai9TjKfMpQmQZJhnnJe0HGqJ.1>

This session will cover the results of the DTU Genomic Proficiency Tests from 2020-2022. Niamh Lacy-Roberts and Joana Mourão from the team at DTU will highlight laboratory results from African and European partners.

**Joana Morão** is a Postdoctoral Researcher at the National Food Institute at the Technical University of Denmark. She works within the European Union Reference Laboratory for Antimicrobial Resistance, contributing to genomic surveillance and bioinformatics capacity building.

**Niamh Lacy-Roberts** is a Research Assistant at the National Food Institute, Technical University of Denmark. With a background in bioinformatics and biomedical science, Niamh contributes to international efforts in antimicrobial resistance surveillance.

**Mark your calendars for the next three webinars** in SeqAfrica's 2025 webinar series! In the upcoming sessions, we will cover a variety of topics related to WGS data, including where to share it, how to promote infection prevention practices in healthcare, and how to make your case for AMR surveillance to policy-makers.

- **Webinar 2: Sequencing Data for Policy: Building your Policy Cases:** October 7, 2025, 13:00 – 15:00 CET
- **Webinar 3: Uploading your AMR WGS Data to Public Repositories:** October 14, 2025, 13:00 – 15:00 CET
- **Webinar 4: Using your AMR WGS Data to Promote IPC and Antibiotic Stewardship:** October 21, 2025, 17:00 CET
